Dear Ms. Lovett:

This is in response to your Freedom of Information Act request of October 24, 2013, requesting a transcript of public comments given at a U.S. EPA hearing in Fresno, CA regarding the Chlorpyrifos Preliminary Volatility Assessment.

I wish to advise you that the Region 9 Pesticide Program has no records responsive to your request. We received confirmation from EPA headquarters that no hearing was held, and subsequently there are no transcripts. If you would like to see public comments submitted regarding this assessment, they can be found at:
